

# Easter Egg Toss

A great Easter-themed game for a PE lesson.

## Instructions

- Split children into groups of 4.
- Ask each group to line up behind a cone.
- Give each group 3 plastic eggs or small soft balls.
- Each group should stand behind a cone and be facing a basket (or box, tub, etc).
- Each child tries to throw the 3 eggs into the basket. They collect the balls after throwing all three and then pass them onto the next person in their queue.
- The next person attempts to throw all 3 eggs into the basket. Repeat until everyone has had a turn.
- For every egg they get in the basket, the children get a point.
- The winning group is the group with the most points.

## Challenge

- Children only get one egg to throw.
- Move the basket further away from the cone.
- Give the game allotted time.
