

Address

All letters have the address in the top right hand corner.

14 Greentown Road,

Portrush

BT56 8LR

Greeting

Who is the letter to? We are writing to our class.

Date

Write the date below the address.

18th May 2020

Dear Year 2,

Questions: try to include questions for your friends to respond to!

I wanted to write you a letter because I miss you. How are you? I hope you are having lots of fun at home. What have you been doing? I have learnt to ride my bike without stabilisers. I have also been baking, playing with my little brother and I have been doing lots of home learning. I love bug club! What is your favourite type of learning at home?

You are the best friends and I can't wait to see you all soon.

Personal information:

the main body of your letter will include information such as what has been happening in your life.

Lots of love from your friend,

Mia

xoxo

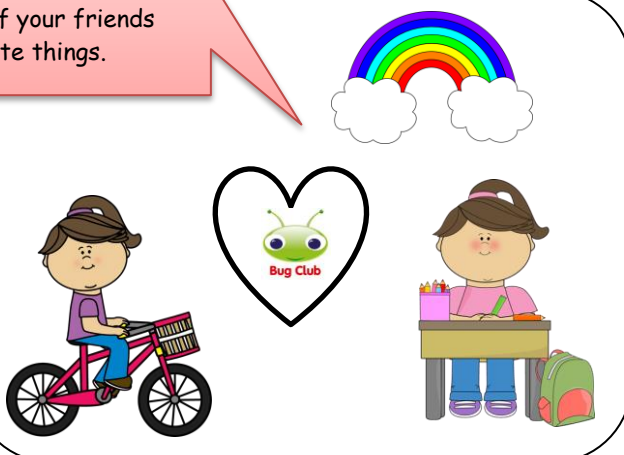

Closure: the closure of the letter is where you say goodbye and sign your name. You may want to use:

Lots of love,

Yours truly,

Your friend,

Picture: at the end of your letter you may want to draw a picture - this could be of the things you have spoken about in your letter, of you and them together, of your friends favourite things.

N.B. Emergent writing!

Although this example is spelt correctly, your child's piece of writing may be mostly phonetic. In the Foundation Stage we encourage the child to use their sound knowledge to write the words they are unsure of.

Their knowledge of the correct spelling of common words should also support their writing.
