Follow the directions.

## How To Use This Reproducible

1. Duplicate the page for each child.
2. If desired, have youngsters write the numeral one under the first child on the page and the numeral two under the second child, then continue numbering the children through the fifth child. Review the ordinal number word for each child.
3. Have your youngsters listen to these directions and follow them:
  - *Find the first child. Color the clothing on this child blue.*
  - *Place your finger on the third child. Color this child's shoes brown.*
  - *Locate the fifth child in line. Draw a hat on this child.*
  - *Find the second child. Color this child's hair black.*
  - *Place your finger on the fourth child. Color the clothing on this child green.*
