

My Home Running Race

Run the race 5 times and record your times below:

Race Number	Time
1	
2	
3	
4	
5	

Use your results to answer the questions below:

1. Can you put your times in order from slowest to fastest?

2. In what race did you run the slowest?

3. In what race did you run the fastest?

4. Can you find the difference between your fastest time and slowest time? (Remember we subtract to find the difference!)
