

## Year 3 Homework – June 2020

In place of a written homework throughout June, we are setting a practical homework for Year 3 in addition to reading. Please find below a list of activities that your child may wish to participate in. Please don't feel the need to complete each activity, it is purely your child's choice. If they particularly enjoy an activity they can complete it more than once. We hope this gives your child opportunity to learn new skills, explore the outdoors and have lots of fun along the way. We would love to see any photographs/videos/art work they've produced of their adventures. Why not keep a diary of activities? Please share these with us via Seesaw.
